

GUIDELINES ON HOW TO FILL THE FORM

Please follow the guidelines to fill up the Technical elements table

1. Use the column 'Element Code' to write the code of the element that you can choose from the list that follows.
2. Use the column 'Notes' for some particular situations that need explanations.
3. It is not necessary to know the steps are used in the elements or the feature, it is just needed the code.
4. You can specify the level of the step sequences or of the other elements in the 'Note' field but it is not mandatory.
